

Lake of Illumination

Thursday, August 18, 2016

Boats need to be on the lake at 8:30 p.m. for judging.

Illumination parade from 9-10 p.m.

It's time to start planning how you would like to decorate your boat for the 9th annual Lake of Illumination parade! Dust off your imagination and let's get creative! First, second, and third prizes will be awarded for Danish Theme, Danish Spirit, and Best Overall Appearance. We would like to encourage all homes around the lake to participate in this year's festivities. Get out the red and white and make your boat, home, and dock stand out Danish proud!

We would like to invite any participants from Baldwin Lake, Como Lake and Burgess Lake to enter into this event as well as open this up to the public. The only requirements are that you have a light source on your boat and your boat must be decorated and be lit up to be judged. All entries are strongly encouraged to decorate according to our annual theme (The Flea and the Professor) but not required.

Please remember no wake during the parade. Let's dazzle the community and leave them with a glow as bright as the Lake of Illumination! Thank you for your participation.
